

SILENT STARTER 🤔

Welcome to English Language
There are two papers and one piece of
Coursework.

Title: Representation

Challenge: What 5 examples types of English Language do you already know?

6

minutes

Can I understand a range of terminology, analysis and contemporary debates on language?

Paper 1

- Section A: Compare a text (usually media) from an earlier time with today's text on the same topic- analysis task
- Section B- transcript analysis of child language spoken and written acquisition- analysis task.

Paper 2

- Section A: Diversity and Change
- Opinion based essay- commenting on a range of diverse Englishes and change that has occurred in our language over the years.
- Section B. Language Discourses
- Opinion based essay commenting on the thoughts on language e.g. gender, age, class, PC etc. using a comparison of two articles.
- Opinion based article on the same ideas raised in the exam (a part 2).

Holiday work

Create 2-3 short transcripts of different people e.g. friends, family . Try to choose 2 very different sets of people.

Create a list of terminology beginning with a list of key grammar terms e.g noun types, verb types.

Find out what the British accents are and comment on each- find the dialect words and how the accent affects certain words in pronunciation.
