consumer meaners of fushions, fushes and preferences of			Factors leading to a change in demand: o changes in the prices of substitutes and complementary goods o changes in consumer incomes o fashions, tastes and preferences o		

		advertising and branding o demographics o external shocks o seasonality Factors leading to a change in supply: o changes in the costs of production o introduction of new technology o indirect taxes o government subsidies o external shocks
		PED/YED a) Calculation of price elasticity of demand b) Interpretation of numerical values of price elasticity of demand
		 c) The factors influencing price elasticity of demand d) The significance of price elasticity of demand to businesses in terms of implications for pricing e) Calculation and interpretation of the relationship between price elasticity of demand and total revenue a) Calculation of income elasticity of demand b) Interpretation of numerical values of income elasticity of demand c) The factors influencing income elasticity of demand d) The significance of income elasticity of demand to
		Design mix
		 a) Design mix: o function o aesthetics o cost b) Changes in the elements of the design mix to reflect social trends: o concern over resource depletion: designing for waste minimisation, re-use and recycling o ethical sourcing
		Branding and promotion
		a)Types of promotion b) Types of branding c) The benefits of strong branding: o added value o ability to charge premium prices o reduced price elasticity of demand d) Ways to build a brand o unique selling points (USPs)/differentiation o advertising o sponsorship o the use of social media e) Changes in branding and promotion to reflect social trends: o viral marketing o social media o emotional branding
		Pricing strategies- cost plus (calculating mark-up on unit cost) o price skimming o penetration o predatory o competitive o psychological The factors that determine price.
		Marketing strategies- product lifecycle, different marketing strategies for different markets including revising mass/ niche.
I	NIF	IL NISI DEO

Approaches to staffing a)Staff as an asset; staff as a cost b) Flexible workforce: o multi-skilling o part-time and temporary o flexible hours and home working o outsourcing c) Distinction between dismissal and redundancy d) Employer/employee relationships Recruitment, selection and training
 a)Recruitment and selection process: o internal versus external recruitment b) Costs of recruitment, selection and training c) Types of training: o induction o on-the-job o off-the-job
Organisation structure a) Structure: o hierarchy o chain of command o span of control o centralised and decentralised b) Types of structure: o tall o flat o matrix c) Impact of different organisational structures on business efficiency and motivation
Motivation a) The importance of employee motivation to a business b) Motivation theories: o Taylor (scientific management) o Mayo (human relations theory) o Maslow (hierarchy of needs) o Herzberg (two factor theory) c) Financial incentives to improve employee performance: o piecework o commission o bonus o profit share o performance-related pay d) Non-financial techniques to improve employee performance: o delegation o consultation o empowerment o team working o flexible working o job enrichment o job rotation o job enlargement
Leadership a) Leadership: o the distinction between management and leadership b) Types of leadership style: o autocratic o paternalistic o democratic o laissez-faire
Entrepreneurs a) Creating and setting up a business b) Running and expanding/developing a business c) Innovation within a business (intrapreneurship) d) Barriers to entrepreneurship e) Anticipating risk and uncertainty in the business environment Moving from an entrepreneur to a leader
Business objectives a) Survival b) Profit maximisation

Theme 2 Managing Business activities	 Raising finance 2.1.1 Internal finance a) Owner's capital: personal savings b) Retained profit c) Sale of assets 2.1.2 External finance a) Sources of finance: o family and friends o banks o peer-to-peer funding o business
	angels o crowd funding o other business b) Methods of finance: o loans o share capital o venture capital o overdrafts o leasing o trade credit o grants 2.1.3 Liability a) Implications of limited and unlimited liability b) Finance appropriate for limited and unlimited liability businesses 2.1.4 Planning a) Relevance of a business plan in obtaining finance b) Interpretation of a simple cash-flow forecast and calculations based on changes in the cash-flow variables c) Use and limitations of a cash-flow forecast
	 Financial planning Sales forecasting a) Purpose of sales forecasts b) Factors affecting sales forecasts: o consumer trends o economic variables o actions of competitors c) Difficulties of sales forecasting 2.2.2 Sales, revenue and costs a) Calculation of sales volume and sales revenue b) Calculation of fixed and variable costs 2.2.3 Break-even a) Contribution: selling price – variable cost per unit b) Break-even point: o total fixed costs + total variable costs = total revenue c) Using contribution to calculate the break-even point d) Margin of safety e) Interpretation of break-even charts f) Limitations of break-even analysis 2.2.4 Budgets a) Purpose of budgets b) Types of budget: o historical figures o zero based c) Variance analysis d) Difficulties of budgeting
NUHU	Managing finance

	rewards o employee share ownership o
	consultation strategies o empowerment strategies
	Managing change
	3.6.1 Causes and effects of change a) Causes of
	change: o changes in organisational size o poor
	business performance o new ownership o
	transformational leadership o the market and other
	external factors (PESTLE) b) Possible effects on: o
	competitiveness o productivity o financial performance o stakeholders 3.6.2 Key factors in
	change a) Organisational culture b) Size of
	organisation c) Time/speed of change d) Managing
	resistance to change 3.6.3 Scenario planning a)
	Identifying key risks through risk assessment o
	natural disasters o IT systems failure o loss of key
	staff b) Planning for risk mitigation o business
	 continuity o succession planning Globalisation
	 Globalisation 4.1.1 Growing economies a) Growth rate of the UK
Theme 4 Global	economy compared to emerging economies b)
Business	Growing economic power of countries within Asia,
	Africa and other parts of the world c) Implications o
	economic growth for individuals and businesses: o
	trade opportunities for businesses o employment
	patterns d) Indicators of growth: o Gross Domestic Product (GDP) per capita o literacy o health o
	Human Development Index (HDI) 4.1.2 Internationa
	trade and business growth a) Exports and imports b
	The link between business specialisation and
	competitive advantage c) Foreign direct investment
	(FDI) and link to business growth 4.1.3 Factors
	contributing to increased globalisation a) Reduction of international trade barriers/trade liberalisation b
	Political change c) Reduced cost of transport and
	communication d) Increased significance of global
	(transnational) companies e) Increased investment
	flows (FDI) f) Migration (within and between
	economies) g) Growth of the global labour force h)
	Structural change 4.1.4 Protectionism a) Tariffs b) Import quotas c) Other trade barriers: o
	government legislation o domestic subsidies 4.1.5
	Trading blocs a) Expansion of trading blocs: o EU
	and the single market o ASEAN o NAFTA b) Impact
	on businesses of trading blocs
	e Clabal markets
	 Global markets 4.2.1 Conditions that prompt trade a) Push factors:
	o saturated markets o competition b) Pull factors: o
	economies of scale o risk spreading c) Possibility of
	off-shoring and outsourcing d) Extending the
NIF	IL NISI DES

product life cycle by selling in multiple markets 4.2.2 Assessment of a country as a market a)
Factors to consider: o levels and growth of
disposable income o ease of doing business o infrastructure o political stability o exchange rate
4.2.3 Assessment of a country as a production
location a) Factors to consider: o costs of
production o skills and availability of labour force o
infrastructure o location in trade bloc o government
incentives o ease of doing business o political
stability o natural resources o likely return on
investment 4.2.4 Reasons for global mergers or joint
ventures a) Spreading risk over different countries/regions b) Entering new markets/trade
blocs c) Acquiring national/international brand
names/patents d) Securing resources/supplies e)
Maintaining/increasing global competitiveness 4.2.5
Global competitiveness a) The impact of
movements in exchange rates b) Competitive
advantage through: o cost competitiveness o
differentiation c) Skill shortages and their impact on international competitiveness
Global marketing
4.3.1 Marketing a) Global marketing strategy and
global localisation (glocalisation) b) Different
marketing approaches: o domestic/ethnocentric o
mixed/geocentric o international/polycentric c) Application and adaptation of the marketing mix
(4Ps) and Ansoff's Matrix to global markets 4.3.2
Niche markets a) Cultural diversity: recognition that
groups of people across the globe have different
interests and values b) Features of global niche
markets c) Application and adaptation of the
marketing mix (4Ps) to suit global niches 4.3.3 Cultural/social factors a) Considerations for
businesses: o cultural differences o different tastes
o language o unintended meanings o
inappropriate/inaccurate translations o
inappropriate branding and promotion
Global industries and companies
 Global industries and companies Subject content What students need to learn: 4.4.1
The impact of MNCs a) Impact of MNCs on the local
economy: o local labour, wages, working conditions
and job creation o local businesses o the local
community and environment b) Impact of MNCs on
the national economy: o FDI flows o balance of
payments o technology and skills transfer o consumers o business culture o tax revenues and
transfer pricing 4.4.2 Ethics a) Stakeholder conflicts
transfer pricing 4.4.2 Ethics a) Stakeholder conflicts

 b) Pay and working conditions c) Environmental considerations: o emissions o waste disposal d) Supply chain considerations: o exploitation of labour o child labour e) Marketing considerations: o
misleading product labelling o inappropriate promotional activities 4.4.3 Controlling MNCs a) Factors to consider: o political influence o legal control o pressure groups o social media
