In our MFL department, we are all very dedicated and enthusiastic about our subject. We work closely together to ensure that all learners are well catered for and to actively promote the importance and enjoyment of learning of foreign language throughout the school. We aim to encourage and develop a lifelong love of languages, language-learning and an inquisitiveness to explore other cultures.

Modern foreign languages (MFL) is studied by all students in year 7 to 9. French and Spanish are taught in year 7 and 8. French only is taught in year 9, 10 and 11 and is compulsory for all students in pathway 1. Students can choose to study French further, as their GCSE option choices, if they are in pathway 2 or 3.

In addition, Polish is offered to all native speakers for GCSE and A Level.
