Objective:

To write a letter to introduce yourself to your pen pal.

Pen Pals Project with Grade 7&8 students in Canada!

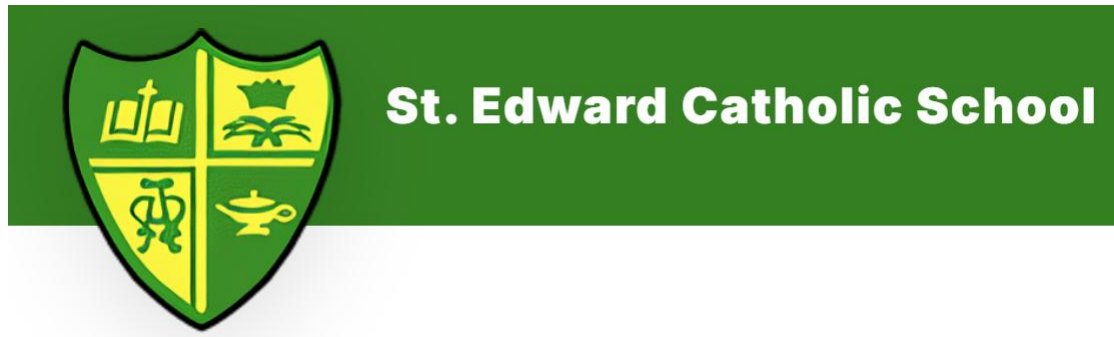

In Canada:

In Canada, they use the word 'Grade' rather than 'Year'.

- **Grade 10** = **Year 11** in Uk
- **Grade 9** = **Year 10** in Uk
- **Grade 8** = **Year 9** in Uk

You will be writing to Grade 8 students.

Task

Each of you has a pen pal. Your job is write them an email to introduce yourself.

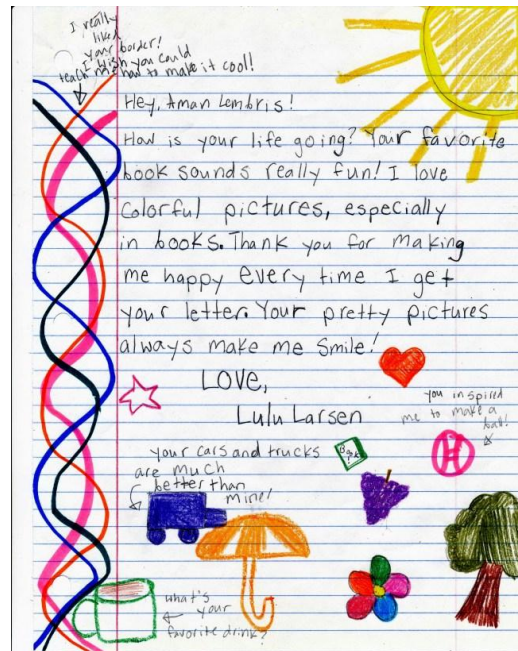

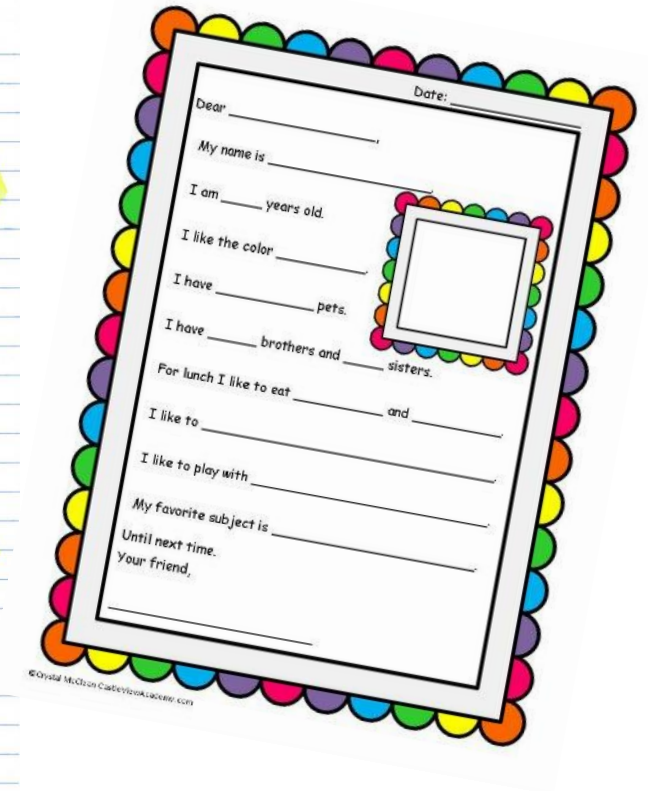

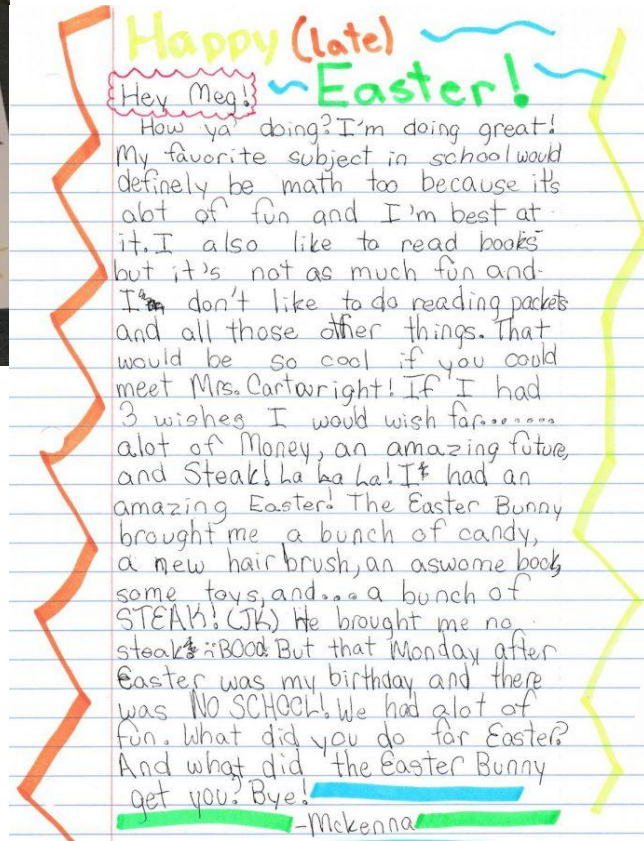

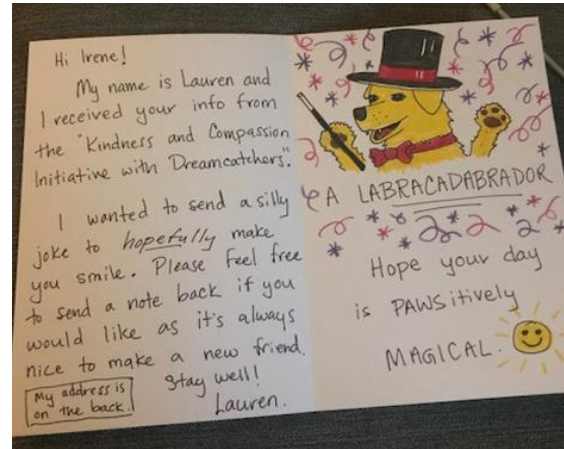

1. Write a draft on paper in today's lesson
2. During Easter, you will type your letter on a Word document
3. You can attach some photos of yourself and your family/friends/pets
4. You must send me your Word document by 22nd April, from your school email (so I can collect all the addresses and share them with the Canadian school)
5. You will then receive their email address and will be able to send your letter via your school email
6. They are also preparing a letter for you, which you will receive on your school email
