

## Pupils' voice about learning languages

"In my opinion, Spanish is the language I enjoy better. I feel like it is exciting to learn to write certain words and pronounce them." *Anaya Year 7*

"Learning languages is important because we live in a multi-cultural society. Knowing different languages can open many doors in life and you can communicate with many people. Learning languages is a great opportunity to get more skills. I think French and Spanish are both beautiful languages and it's a great opportunity to get to learn them." *Paulina Year 8*

"I enjoy learning languages because it's a fun experience and great continuation from primary school. I personally love it since it's my dream to live in Paris one day!" *Nelia Year 8*

"Learning French is enjoyable as the class is very interactive, making learning fun. The lessons help me gain the skills to interact with more people in the future" *Dasha – Year 10*

"I chose French because I am fascinated by the culture, history and language. It really opens different perspectives of the world that we do not know." *Jamiellyn – Year 10*

"A Level French has not only been beneficial in deepening my understanding and appreciation of the French language and culture, but also in my awareness of language as a whole, including grammar rules and tenses in English". *Beatriz Year 13*
