Dear Parents / Carers

Year 7 Alcohol Awareness Theatre Performance

We are holding an event for Year 7 Students during their PSHE lesson on Wednesday 11th May @2pm 2022. A company (Collingwood Learning) will be coming into the school and performing and informing the students about alcohol. The session is comprised of a 25-minute live theatrical performance followed by a 35-minute interactive workshop. It will be delivered by a team of three actor-facilitators to the full year group during period 5.

This play will enhance students knowledge and understanding of the impact of alcohol on ourselves and others around us. It is part of the Personal Social and Health Education programme that we teach to ensure students have a holistic understanding and knowledge of life factors that can affect their lives.

The company come highly recommended, and their performances are enjoyable as well as educational. We are fortunate to have procured their services free of charge. The only request is that students complete a questionnaire prior to the event, this will take place in school tutor time.

All year 7 students are invited to the event, however if you would not like your child to attend please inform me via email so I can organise their removal from this event.

For more information about the company and the even please click on the link [Home - Collingwood Learning](#)

Kind regards

Miss L Heaver
Head of Year 7
