Dear Parents and Students

Blessed Hugh Faringdon Sixth Form Dress Code 2016

This year there has been a consultation regarding the Sixth Form dress code.

Governors, students and staff have all had an input into the decision making process. As a consequence we will be asking students to dress accordingly from now and onwards into the new school year. We want our students to always consider their role within the school and local community and dress appropriately for this school community.

Students who dress inappropriately will be asked to change their attire and parents will be contacted about this. This dress code is for guidance. Suitability of clothing will be determined by the Head of 6th Form.
